

RULES AND AGREEMENT FOR USE OF THE OLDE IVY CLUBHOUSE

The Olde Ivy Clubhouse is a neighborhood treasure and shared resource. Residents are invited to host events in the Clubhouse, so long as they follow the rules contained in this Agreement and are in good standing with their Olde Ivy Association (meaning current on all fees, assessments and water payments). “Residents” means resident owners and renters registered with the association management company. Non-resident owners or renters not registered with the management company may not host Clubhouse events.

Event Rules

You must follow the Rules and Host Responsibilities contained in this Agreement. You are responsible for ensuring that all guests and invitees adhere to the Rules, Covenants, and Restrictions of the Community. All Rules and Host Responsibilities are subject to change. The Board of Directors of the Olde Ivy at Vinings Neighborhood Association may amend the Rules and Host Responsibilities pursuant to their powers under the governing documents of the Olde Ivy Community.

Major renovations and improvements to the Clubhouse were completed in the summer of 2016. Please treat the clubhouse as you would your own home.

Host Responsibilities

As resident host (“Host”), you must be in attendance throughout the event.

The event must be for your personal, non-profit use. For profit events (such as Tupperware parties, sample sales, jewelry shows, Mary Kay events, company retreats, seminars, conferences, training sessions, etc.) are not allowed.

Total attendance must not exceed 75 persons (Cobb County Fire Department regulation).

No smoking is permitted or allowed in or around Clubhouse property, including the deck and porch.

All events (including your clean-up time) must conclude by 1:00AM.

You are responsible for where your guests park, so please include parking instructions as described under “Parking” in your event invitation. Please ensure that all guests park outside of the Gates.

You must provide your non-resident guests with a temporary gate access code as described under “Guest Access”.

You are responsible for locking the Clubhouse doors at the end of the event and securing the key in the e-key box outside of the clubhouse as you leave.

Hosts are responsible for the actions of all guests. Hosts will be liable for any fines, fees, or other ramifications for all violations and or damages caused by the guests and/or invitees of their events. Any fines or fees in excess of the \$250.00 deposit will be specifically assessed to the Host's property.

Your Deposit

Since the clubhouse is a shared Neighborhood resource, you are responsible for any damages to the Clubhouse, its contents or other Olde Ivy property caused by you, your guests, or as a result of your event, or for any additional cleaning costs required after your event.

If the costs for repair of Clubhouse, neighborhood property, or replacement of contents, extra cleaning or fines assessed by the Neighborhood Board of Directors exceed the \$250 deposit, or the key is not returned to the e-key box after the event, the Association will provide you with an itemized bill for the additional costs. You must pay this bill within ten days of the mailing date to avoid further fees and interest.

We require a deposit in the form of two checks payable to the Olde Ivy Neighborhood Association:

- \$185 non-refundable usage fee
- \$ 250 Deposit against the following:
The costs for repair or replacement of Clubhouse contents or neighborhood property, extra cleaning, replacement of Clubhouse keys, re-keying of locks or fines assessed by the Neighborhood Board of Directors for failure to adhere to all Community and Clubhouse Rules, Host Responsibilities, and Covenants.

Do's and Don'ts

Food preparation and entertainment are sensitive issues. We don't want sound or cooking aromas from your event to affect other residents. Additionally, we are very concerned with breakables around the pool area.

All food must be prepared inside the Clubhouse. Cooking devices (grills, food warmers, etc.) are not allowed on the Clubhouse deck.

If you serve food or drinks on the deck area, the use of glass, china or anything that might break is prohibited on the deck area. Broken glass or dishes anywhere near the pool can lead to a major and expensive cleaning effort. For that reason, wine, beer or other beverage bottles are not allowed on the deck.

No open flames are allowed in the Clubhouse or on the deck or porch (Fire Regulations).

Only electronic candles are permitted.

No smoking is allowed in the Clubhouse, the outside deck or front porch area. This restriction applies to both tobacco and electronic (“vaping”) devices.

All entertainment must be provided inside the Clubhouse.

Event attendees may not use the swimming pool.

No paint, tape or tacks are allowed on walls, trim, columns or ceilings.

Residents are not permitted to bring in dance floors.

You must remove any stains on the carpets before your security deposit is refunded. Emergency cleaning supplies are located under the kitchen sink and include a bucket, Resolve carpet cleaner, Mr. Clean magic erasers, sponges, and other supplies.

The refrigerator is not capable of cooling large quantities of un-cooled beverages. To ensure that your beverages are chilled, either bring cold beverages or put them in coolers with ice before your event.

Failure to adhere to the above referenced rules may result in a fine imposed at the sole discretion of the Neighborhood Board of Directors.

Clean-Up

You must clean up after your event, placing all decorations and trash in receptacles, including any exterior decorations.

After your event:

Property management inspects the Clubhouse for any damage.

Our housekeeping crew will dust and vacuum the clubhouse. In addition, they will clean the kitchen and bathrooms. If any cleanup beyond these basic services is required, or if there is any damage to the Clubhouse or its furnishings, etc. you will be specifically assessed for such charge.

Parking

There is very limited guest parking on the Olde Ivy grounds. Non-resident guests attending events in the Clubhouse **MUST PARK OUTSIDE THE GATES.**

Tell your guests to park outside the Olde Ivy gates, in the commercial parking lots along Log Cabin Drive after normal business hours.

If handicap access is needed, there are limited spaces provided near the Clubhouse for cars displaying proper handicap permits.

When loading and unloading supplies for your event, do not use the fire lane (red painted curve) or permit guests to park in front of the Clubhouse at any time. Please use the parking spaces alongside the Clubhouse for loading and unloading.

Guest Access

Arrange for a special one-day access code for the entry gate and provide it to your guests. For

privacy reasons, do not give out your personal access code.

Clubhouse Key

The property manager will provide an access code to an e-key box outside of the Clubhouse. You will be able to access the key there on the day of the rental and return it to that same lockbox after you've locked the Clubhouse doors at the end of the event.

Liability

The Olde Ivy Neighborhood Association (including the various Olde Ivy homeowner associations) does not assume liability for any illness, injury, death or damage to personal or Olde Ivy property that occurs during or as a result of your event.

You agree to fully indemnify, hold harmless, and defend The Olde Ivy Neighborhood Association (including the various Olde Ivy homeowner associations) from any and all claims, legal actions, losses, damages, and/or injuries resulting from or arising from in part or in whole from your use of the Clubhouse.
